Your Reference: ESS analytical report on sewage discharge into the aquatic environment

12 September 2024

Dear Mark,

Thank you for your email of 30 August 2024 with a copy of Environmental Standards Scotland's report on storm overflows.

I welcome the publication of the report, and note the 6 month deadline to respond to the recommendations made within. I will write to you again as soon as possible with an update on the actions the Scottish Government is taking, in partnership with Scottish Water and SEPA, to protect our water environment.

Yours sincerely,

GILLIAN MARTIN
